CDCC reserves the final decision in all judging and car classification, including eliminating or combining classes.

Stock classes are allowed minor changes to the exterior and interior; changes may also include tires and mag wheels. Points may be lost due to these changes from their stock condition.

Vehicles with excessive bolt-on appearance items, major exterior changes, or interior changes will be placed in Personalized Stock classes.

NOTE: To receive maximum points, vehicles must have their hoods up, trunks open, and tops up! CDCC members' vehicles are on display only. All judging will be done by CDCC.
